Principle 5 – Make timely and balanced disclosure

Continuous Disclosure Policy

In order to regulate the continuous disclosure regime across the Group in relation to any securities issued by the Group the Board has adopted a Continuous Disclosure Policy. A copy of the Continuous Disclosure Policy is available at www.elanorinvestors.com/sustainability/governance.

The Continuous Disclosure Policy aims to ensure that the Group complies with the continuous disclosure requirements contained in the Australian Securities Exchange (ASX) Listing Rules (the Rules). The successful operation of the Group's continuous disclosure regime promotes investor confidence by providing full, timely, accurate and relevant information to the market about the activities of the Group and serves to educate all relevant Group personnel on what continuous disclosure is, and how they can ensure they meet their individual responsibilities.

Subject to the exceptions contained in the Listing Rules, the Group will immediately notify the market of any information or matter related to the businesses or financial condition of the Group which a reasonable person would expect to have a material effect on the price or value of those securities. Such notifications will be made by way of an announcement to the ASX.

The Group ensures that the Board receives copies of all material market announcements promptly after they have been made.

Investor presentation materials are released on the ASX Market Announcements Platform ahead of presentations to investors.

The Company Secretary plays an important role in the Group's Continuous Disclosure Policy. The Company Secretary is the person principally responsible for operating, overseeing and maintaining this Policy. The website also contains a feed from the ASX for the Group's security price information and a link to ASX announcements released by the Group.

Investors Reports

The Group prepares annual reports for investors for each financial year ending 30 June and a half year report for the period ending 31 December. These reports are posted on the website. Investors may elect to receive a hard-copy of the annual report or an email notification once they become available.

General Meetings

The Group holds an annual general meeting (AGM) in October or November each year. The date, time and venue of the AGM are notified to the ASX when the annual report is lodged with the ASX, generally in September each year. The Board of Directors aim to choose a date, venue and time considered convenient to the greatest number of our investors.

All notices of meetings will be accompanied by clear explanatory notes on the items of business. A copy of any such Notice of Meeting will be placed on the Group's website. Should an investor not be able to attend a general meeting they are able to vote on the resolutions by appointing a proxy. The proxy form included with the notice of meeting will clearly explain how the proxy form is to be completed and submitted. The Group ensures that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.

As previously stated, the external auditor attends each AGM to answer questions about the conduct of the audit and the preparation and contents of the Auditor's Report.
