

Distribution Information

Elanor Investors Group distributions are currently paid six monthly relating to the June and December half years.

Tax components below are indicative only and investors should rely on their Tax Statements provided each year for the preparation of their income tax returns.

For Australian investors, the annual Tax Statement provides more information on how to complete your tax return in relation to your distribution. The annual Tax Statement is provided with the June half year distribution each year.

EIF (Trust) is a Managed Investment Trust (MIT).
